- Do not dump in washes, it blocks flow and can cause flooding.
- Permits are needed from the local agency for any work in a wash or floodplain.
- Report illegal dumping, any work in a wash or floodplain by calling the agencies listed.

## Federally Subsidized Flood Insurance Available

Your home or business standard property insurance does not cover flooding. A building does not have to be located in a federally recognized floodplain in order to get flood insurance. All city and county residents are eligible for federally subsidized flood insurance after a 30-day waiting period. Consult an insurance professional for details.

## Floodplain Information

Information about the floodplain status of your property can be found on the Flood Insurance Rate Maps available for examination at the Tucson Public Library and on-line. *Flood hazard maps and updated information available at:*
